

How to Answer Call Waiting on your Amplicom Telephone

The following steps are to be used with the Amplicom cordless phone.

1. When the Amplicom cordless phone is in use, and a beep is heard, another call is incoming. At this time call waiting may be answered.
2. To answer this call, the **R** button must be pressed.
3. To go back to the previous call, simply repeat Step 1 and 2.

The following steps are to be used with the Amplicom corded phones.

1. When the Amplicom corded phone is in use, and a beep is heard, another call is incoming. At this time call waiting may be answered.
2. To answer this call, press the **?/R** button.
3. To go back to the previous call, simply repeat Step 1 and 2.
